Every six months, our members are entitled to:

- A dental appointment, including a clinical examination, a check for signs of oral cancer and routine x-rays

- 10% discount on many other treatments (extractions, etc).
- 10% discount on additional hygiene care.

Worldwide Dental Emergency Assistance Scheme****

- Eligibility to request treatment following a dental trauma and/or dental emergency or oral cancer.

And there's more...

- Treatment planning to promote good oral health for life.
- All subsequent remedial work within 12 months of recommended restorative work.
- Private emergency callout facility, direct access to your dentist.

Enhanced Membership £24.50 per month*

For those patients who would like more regular and extended access to dental care, we have an Enhanced Membership. This includes all the membership benefits of the Adult Membership but your loyalty benefits are extended so that you will be eligible for a hygiene appointment after three consecutive monthly payments, therefore entitling you to up to four hygiene visits a year.

* An initial administration fee of £9.50 will be collected with your first payment only.

** Subject to receipt of the required consecutive monthly payments.

*** Discounts only apply to treatments carried out at the practice and exclude referral treatments.

**** The Worldwide Dental Emergency Assistance Scheme is a scheme established to offer support and assistance to dental plan patients who request treatment following a dental trauma and/or dental emergency or oral cancer. The Scheme responds to requests for assistance on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, it has no obligation to provide any benefit unless it first decides (in its sole and absolute discretion) that it should provide a benefit. There are some circumstances in which the Scheme is not designed to help and these are explained in more detail in the Scheme Handbook. Each request will be looked at individually to assess the request for benefit. Certain restrictions and limitations may apply in the event that the request is accepted and it is possible that the Scheme will decide to provide no benefit.
